Title: How Grant High alumni are giving new grads a leg up for college

Publication Date: September 9, 2017

Summary: When Sam Kinsey III went from Del Paso Heights to the University of Arizona a few years ago, he left Sacramento with a check for \$1,000 from the Grant High Alumni Association. Without that \$1,000, “I wouldn’t have had books that first semester. I wouldn’t have had pillows,” said Kinsey. “That scholarship means the world.”

Kinsey said the surprise of unanticipated costs was what eventually caused him to come home and attend **American River College**. The alumni grant got him through the first two semesters at Arizona, but he couldn’t figure out a financial plan beyond that.
