## **LOS RIOS BOARD APPOINTS INTERIM CHANCELLOR**

*Sacramento*—Last night at its regularly scheduled meeting, the Los Rios Community College District Board of Trustees appointed Jon Sharpe to serve as interim chancellor. Sharpe has served as the district's deputy chancellor since 2004.

The appointment is the result of the pending retirement on August 30 of Dr. Brice Harris who has served as chancellor of the district since 1996.

“In recent years Jon has functioned as chief operating officer of the district and has been directly involved with all aspects of the organization,” said Los Rios board president Ruth Scribner. “We are very fortunate to have an individual of Jon's experience and qualifications to fill this important interim role.”

A national search process to find a new chancellor for the district is underway with the goal of having a new person selected by next January.

The Los Rios District enrolls 80,000 students at its four colleges—American River, Cosumnes River, Folsom Lake and Sacramento City.
