- 1.3.1.1 An incomplete symbol “**I**” may be assigned at the end of the term when, in the judgment of the faculty member of record, the student was unable to complete the work of the course for unforeseeable, emergency, and justifiable reasons.
- 1.3.1.2 The condition for removal of the “**I**” and the grade assigned in lieu of its removal shall be stated by the faculty member of record in a written record, which shall be given to the student with a copy filed in the Records Office.
- 1.3.1.3 A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has elapsed.
- 1.3.1.4 An “**I**” may not be made up later than one (1) year from the end of the semester in which it was assigned. A student may petition for a time extension due to unusual circumstances.
- 1.3.1.5 The “**I**” symbol shall not be used in calculating grade point averages, but excessive “**I**”s, as defined in Administrative Regulation [R-2231](#) of the Los Rios Community College District Administrative Regulations, shall be used as factors in progress probation and dismissal procedures (Title 5, §55031).
- 1.3.2 In Progress “**IP**” Symbol (Title 5, § 55023)
- 1.3.2.1 The “**IP**” symbol shall be used only in those courses which extend beyond the normal end of the academic term. It indicates that a substantive grade must await the completion of the course.
- 1.3.2.2 The appropriate final evaluative grade and unit credit shall be assigned and appear on the student’s record for the term in which the course is completed. The student must re-enroll in the same course until course completion.
- 1.3.2.3 If a student enrolled in an “open entry/open exit” course is assigned an “**IP**” at the end of an attendance period and does not re-enroll during the subsequent attendance period, the appropriate faculty member of record shall assign an evaluative symbol (grade) in accordance with section 1.1 or 1.2 (above) of these Administrative Regulations. This grade shall be recorded on the student’s permanent record for the course.
- 1.3.2.4 The “**IP**” shall not be used in calculating grade point averages.
- 1.3.3 Report Delayed “**RD**” Symbol (Title 5, § 55023)

1.3.3.1 The “**RD**” symbol may be assigned only by the Records Office where there is a delay in reporting the grade of a student beyond the control of the student and shall be replaced by a permanent symbol as soon as possible.

1.3.4 Withdrawal “**W**” Symbol (Title 5, § 55024)

1.3.4.1.1 For courses longer than eight (8) weeks, the third Sunday after instruction begins.

1.3.4.1.2 For courses eight (8) weeks or shorter, the Friday of the week the session begins, or as published by the College.

1.3.4.2 A student who withdraws from a course between the time period identified in section 1.3.4.1 and the first seventy-five percent (75%) of the elapsed time of the course shall receive a “**W**”. The appropriate faculty shall be notified.

1.3.4.3 The academic record of a student who remains in a course beyond the first seventy-five percent (75%) of the elapsed time of the course shall reflect a grade in accordance with section 1.1 or 1.2 of these Administrative Regulations and shall not reflect a “**W**.” However, under extenuating circumstances, and after consultation with the appropriate faculty member of record, a student or a student’s representative may petition for a “**W**” grade to be recorded.

1.3.4.3.1 Extenuating circumstances are verified cases of accidents, illnesses, or other circumstances beyond the student’s control.

1.3.4.4 The “**W**” shall not be used in calculating grade point averages, but “**W**”s shall be counted in progress probation and dismissal calculations.

1.3.4.5 A “**W**” shall not be assigned, or if assigned shall be removed, from a student’s academic record, if a determination is made pursuant to California Code of Regulations, title 5, section 59300 and following (See [P-2423](#), [R-2423](#)) that the student withdrew from the course due to discriminatory treatment or due to retaliation for alleging discriminatory treatment.

1.3.4.6 The maximum number of times a student may withdraw from the same course and receive a “W” symbol is three (3); however, the maximum number of times a student may attempt a particular course shall not exceed the maximum number of attempts allowed in section 4.0, below.

The “MW” shall not be counted in progress probation and dismissal calculations. “W”s incurred during the period of January 1, 1990 and the effective date of this paragraph, and which meet the definition of “MW” may be changed to “MW”s.

1.3.5.3 In the case of students who are members of an active or reserve military service, and who receive orders compelling a withdrawal from courses, a community college district shall, upon petition of the affected student, refund the entire enrollment fee unless academic credit is awarded.

1.3.6 Excused Withdrawal “EW” Symbol (Title 5, § 55024)

1.3.6.1 Excused Withdrawal” (EW) occurs when a student is permitted to withdraw from a course(s) due to specific events beyond the control of the student making his or her ability to complete a course(s) impracticable. These events may include a job transfer outside the geographical region, an illness in the family where the student is the primary caregiver, when the student who is incarcerated in a California state prison or county jail is released from custody or involuntarily transferred before the end of the term, when the student is the subject of an immigration action, or other extenuating circumstances as defined in section 1.3.4.3.1.

1.3.6.2 In the case of an incarcerated student, an excused withdrawal cannot be applied if the failure to complete the course(s) was the result of a student's behavioral violation or if the student requested and was granted a mid-semester transfer.

1.3.6.3 Upon verification of these conditions and consistent with the documentation substantiating the condition, an excused withdrawal symbol may be assigned at any time after the period established in section 1.3.4.1 above.

1.3.6.4 Excused withdrawal shall not be counted in progress probation and dismissal calculations.

1.3.6.5 Excused withdrawal shall not be counted toward the permitted number of withdrawals or counted as an enrollment attempt.

1.3.6.6 In no case may an excused withdrawal result in a student being assigned a “FW” grade.
