Scott’s research focuses on Black immigrant experiences of incarceration, exploring a range of issues from surveillance, detention/incarceration abuse, law enforcement, and barriers to legal access.

CRC: Cosumnes River College’s Medical Assistant Program was ranked as 7th best among the 20 Top Accredited Medical Assistant Programs and Schools in California for the year 2021. Criteria was based on tuition fee affordability, number of courses, student-faculty ratio, last cohort’s retention rates, financial aid, placement services, counseling services, and satisfied students.

FLC: In the midst of the pandemic, Folsom Lake College’s Prison and Re-Entry Education Program (PREP) has continued its important work providing educational opportunities to incarcerated students by converting from in-person instruction to a correspondence education modality. PREP faculty and staff are commended for their significant efforts to print, fill, send, receive, grade, and process all the student packets each week to keep courses running on the inside for the 950 incarcerated students who are currently taking 17 courses across 10 disciplines. Every PREP student in a California Department of Corrections and Rehabilitation facility earns three weeks off their sentence for every three units successfully completed, at an estimated savings of $4.4 million to taxpayers for courses and units taken this spring alone. Mari Peshon McGarry, the director of PREP, was also recently interviewed by the nationally published Community College Daily for an article on the expansion of the federal Pell grant program to include incarcerated students, "Expanding Educational Access to People in Prison."

SCC: Sacramento City College has been awarded a two-year grant from the American Association of Community Colleges Equity Transfer Initiative, with UC Davis as our university partner, to increase transfer rates among African American, Hispanic, and first-generation students. SCC and UC Davis are uniquely poised to provide a direct pipeline and partnership for transfer given the
longstanding relationship between the two institutions, which includes the Sacramento City College Davis Center on the UC Davis campus. On average, SCC has approximately 20,000 students enrolled during a normal Fall term. The student demographics reflect a diverse community with 33.1% of the students being Hispanic and 10% of the students being African American. Working in close partnership with UC Davis, SCC will provide overall leadership for planning and managing projected targets and outcomes. The $27,500 grant will be used to create a path to successful transfer for African American, Hispanic, and first-generation students.

   **36.00 hours lecture, 54.00 hours laboratory**
This course trains students in the basic operation of ProTools, an industry standard Digital Audio Workstation. Students will learn how to record, edit, process, arrange and mix music comprised of various digital media, including audio and MIDI files. Through a series of creative projects and method-based training, students will be prepared to take the first exam in Avid’s Certification Program at the end of the course. The passage of this exam will result in students’ achieving the first of two steps that lead to ‘User Certification’ in ProTools with Avid Technologies.

**Justification:** This course is the first in a sequence of two that serve to train students and prepare them for certification in ProTools, an industry-standard Digital Audio Workstation created by Avid Technologies. This course will both prepare students for the two certification exams that lead to 'User Certification' (available at the end of this class and the next class in the sequence, MUSM 349). This course is worth more units (3) than of similarly entitled courses at our sister campuses (1.5) in the LRCCD. The reason for this is due to the way in which we have designed our curriculum to include broader topics, such as basic recording techniques, microphone paradigms, and composition / songwriting. Thus, this course (and the next in the sequence, MUSM 349) will equip students with both skill- and creativity-building that will lead to their successful development of a portfolio of original compositions (both stand-alone musical works and music / audio for film, video, and games) that show potential employers and clients a breadth of a burgeoning trade and creative experience.

5. **MUSM 349 Audio and Music Production IV (ProTools 110) (3.00 units)**

*Prerequisite:* MUSM 348 with a grade of "C" or better

*36.00 hours lecture, 54.00 hours laboratory*

This course continues to train students in the basic operation of ProTools, an industry standard Digital Audio Workstation. Students will learn how to operate large sessions in a project studio environment. Additional topics of study include managing large track and channel counts consisting of simultaneous inputs and outputs, and the instantiation of plug-ins specifically designed for music in both creative and post-production tasks. Students will continue to build on concepts and skills acquired in Audio and Music Production III (Pro Tools 101): recording, editing, processing, arranging and mixing music comprised of various digital media, including audio and MIDI files. Through a series of creative projects and method-based training, students will be prepared to take the second exam in Avid’s Certification Program at the end of the course. The passage of this exam will result in students’ achieving ‘User Certification’ in ProTools with Avid Technologies.

**Justification:** This course is the second in a sequence of two that serve to train students and prepare them for certification in ProTools, an industry-standard digital audio workstation created by Avid Technologies. This course will both prepare
students for the second of two certification exams that lead to 'User Certification' (available at the end of this class). This course is worth more units (3) than of similarly entitled courses at our sister campuses (1.5) in the LRCCD. The reason for this is due to the way in which we have designed our curriculum to include broader topics, such as intermediate and advanced recording techniques, microphone paradigms, more complex composition / songwriting, and an introduction to Network Audio applications. Thus, this course (and the previous the sequence, MUSM 348) will equip students with both skill- and creativity-building that will lead to their successful development of a portfolio of original compositions (both stand-alone musical works and music / audio for film, video, and games) that show potential employers and clients a breadth of a burgeoning trade and creative experience.

The Contact Lens Technician Program is an academic certificate that prepares students for occupations in visual technology services. The certificate includes online classroom instruction, in-person laboratory practice and an internship in a vision services or retail opticianry business where students will assess patients and provide contact lens fitting services. Skills that will be learned include contact lens fitting and adjustment, manufacturing of lenses and business concepts for optical services. This program is designed to be a full-time or part-time certificate that is 75% online. After successful completion of the curriculum, the student is eligible to take the National Contact Lens Examiners (NCLE) Examination and upon passing becomes a certified contact lens technician. This evidence of competence is recognized throughout the United States. In addition, graduates will be able to apply for registration as a Registered Contact Lens Dispenser with the California State Board of Optometry. In addition to normal student expenses (for textbooks, etc.), the contact lens technician program requires an expenditure of approximately
$400.00 during the program for lab coat/uniforms, special supplies and transportation to internship sites. Applicants are encouraged to check with the Financial Aid Office for possible assistance before entering the program.

**Justification:** This new certificate will lead to industry certification for contact lens technician and support workforce gaps for this industry. This is the second certificate in a series that has common courses with an entry level optical technician certificate.

5. **Law, Public Policy, and Society**

The Associate in Arts in Law, Public Policy, and Society for Transfer degree offers courses that satisfy lower-division General Education requirements in both the physical and social sciences, providing students with a solid foundation in Law, Public Policy, and Society as well as the standard prerequisites for upper-division coursework leading to the baccalaureate degree. Students planning to transfer to a CSU with a major in Law, Public Policy, and Society should consult the lower division requirements at the university they plan to attend. Through interdisciplinary studies in the administration of justice, political science, business, history, economics, sociology, global studies, and communications, students will acquire skills in critical thinking, persuasive communication, analytical writing, and a foundational understanding of the behavioral and social sciences. The Associate Degree for Transfer (ADT) student completion requirements (as stated in SB1440 law): (1) Completion of 60-semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0. ADTs also require that students must earn a “C” or better in all courses required for the major or area of emphasis.

**Justification:** The ADMJ Department is launching a new transfer degree proposal.

6. **LVN-RN Transition to Registered Nursing**

The Associate in Science LVN-RN Transition Registered Nursing Program at Sacramento City College is approved by the California Board of Registered Nursing. Students enrolled in this program are required to complete general education, science, and nursing courses with related clinical experiences in local hospitals. The nursing courses are three semesters in length. In addition to
regular expenses such as enrollment fees, living costs, activity fees, and books, nursing students have the expense of uniforms, equipment, malpractice insurance, graduation, and licensing costs. They also are responsible for their physical examination, immunizations, background check, and drug screen, as well as transportation to and from clinical agencies for day and evening learning experiences. All enrolled students must have a current American Heart Association Health Provider CPR with Automated External Defibrillator (AED) card. The nursing program is a rigorous course of study. In order to ensure academic success and to protect students’ health, full time employment is not advisable. It is recommended that students who must continue outside employment reduce their hours to improve their success in the program.

Nursing courses must be taken in sequence. Informational meetings are held several times each semester to provide prospective students with information about program prerequisites, enrollment process, and other requirements in the program. A 75% passing grade is mandatory in theory and clinical practicum of each nursing course for progression in the program. In order to obtain a Registered Nursing license as a graduate, a student must have an Associate in Science Degree in Nursing and pass the National Council Licensure Examination (NCLEX). Enrollment options for Licensed Vocational Nurses: LVNs seeking entry are subject to space availability. These applicants have several options for becoming Registered Nurses. In the "30 Unit Option" the LVN must complete physiology and microbiology prior to entering the second year nursing courses. This option does not lead to an Associate in Science Degree. The LVN to RN Transition option does lead to an Associate in Science Degree in Nursing. This LVN must meet all the program requirements of the generic program. After successfully completing NURSE 307, they transition into the second year of the Registered Nursing Program. A third option is completion of the entire generic associate degree nursing program and all enrollment requirements. A Diploma RN graduate of a hospital school of nursing who is currently licensed in California may earn an Associate in Science Degree. This Registered Nurse will need to complete requirements for an Associate in Science Degree and fulfill a residency requirement by completing at least 12 units at Sacramento City College. Transfer students must present evidence of comparable theory and clinical practice courses. Transfer students are admitted on a space available basis.

**Justification:** This program provides a clear path describing how a licensed vocational nurse can become a registered nurse with an associates degree in science at Sacramento City College.

7. **Optical Technician**

The Optical Technician Program is an academic certificate that prepares students for occupations in visual technology services. The certificate includes
online classroom instruction, in-person laboratory practice and an internship in a vision services or retail opticianry business where students will assess patients and provide eye glass fitting services. Skills that will be learned include eye glass fitting and adjustment, manufacturing of lenses and frames and business concepts for optical services. After successful completion of the curriculum, the student is eligible to take the American Board of Opticianry (ABO) Examination and upon passing becomes a Certified Optician. This evidence of competence is recognized throughout the United States. In addition, graduates will be able to apply for registration as a Registered Spectacle Lens Dispenser with the California State Board of Optometry. In addition to normal student expenses (for textbooks, etc.), the optical technician program requires an expenditure of approximately $400.00 during the certificate program for lab coat/uniforms, special supplies and transportation costs for internships. Applicants are encouraged to check with the Financial Aid Office for possible assistance before entering the program if this creates a hardship.

**Justification:** This new certificate will lead to industry certification for optical technician and supports workforce gaps for this industry. This is the first certificate in a series that has common courses with a more advanced certificate in contact lens technician.

Brian King, Chancellor

Board Policy 8341 calls for the Board of Trustees to approve the naming of college facilities and areas. BACKGROUND:
The agreement with the Los Rios College Federation of Teachers (LRCFT) provides that at least ten (10) Type A sabbaticals and 2.1 FTE of Type B professional development leaves be granted each year. Type A leaves are leaves of one semester at full pay or one year at half pay. Type B leaves are reassigned time for up to 100% and for up to one year in duration.

The agreement with the LRCFT permits the Professional Standards Committee at each college to recommend the conversion of one or more Type A sabbaticals into equivalent FTE of Type B leaves.

Sabbatical/professional development leave recommendations are presented to the Board in April and November of each year.

The criteria for leaves, as stated in the LRCFT agreement are as follows:

1. Retraining of applicant to allow for future new assignment(s) in a needed area as determined by College and District priorities.
2. Studies, projects or activities that provide staff with opportunities to upgrade academic, technical, and vocational skills and knowledge for current or future assignments.
3. Studies, projects, or activities for the improvement of curriculum, educational delivery systems, student personnel services, or other support services.
4. Studies, projects, or activities for development or revision of certificate or degree programs.
5. Studies, projects, or activities related to feasibility or revision of new or existing programs.
6. Studies, projects, or activities for the enhancement of student access and success at the course, program or institutional levels.

RECOMMENDATION:
It is recommended that the attached sabbatical/professional development leaves be approved by the Board of Trustees for the 2021-22 year.

"Math Learning Center – Support Course for Math 300"

Proposal: The passage of AB705 dramatically changed the landscape of math education throughout the state. During Fall 2020, release time was granted to create all the necessary curriculum so that Math 300, Introduction to Math Ideas, could be created using the resources of the Math Learning Center (MLC). Faculty are currently piloting Math 300 in the MLC with very encouraging results. Not all students, however, are able to be served as the placement rules require many students to enroll in a 2-unit "support course" while they are taking the corresponding transfer-level course. The purpose of this project is to create and develop all the necessary curricular materials for the two-unit support course so that Math 300 with support can be offered to all ARC students through the MLC.

"Math Learning Center – Third Edition: Complete the Project"

Proposal: For the Spring 2021 semester, three math faculty were granted release time to develop the third edition of the developmental math materials used in the Math Learning Center. Unfortunately, the work was met with two obstacles: 1) in early October, the publishing company notified the faculty that all previously-developed books were out of print and being retired; and 2) the day before the Spring semester started, the publishing company shifted the "online custom course shell" development date from February 1 to May 1. Without the online course shell and eText in hand, the project work could not be completed. Faculty are continuing to focus on video and workbook creation along with the development of all homework and exams for the five courses. The purpose of this project is to continue the work necessary, once the course shell is completed by the publishing company, so that the new materials for students can be launched in January 2022.

“Guided Pathways Milestone Certificates for Multilingual Speakers”

Proposal: This project continues the work already underway to recognize the milestone achievements of ESL students. ESL faculty will further their work with various departments/disciplines that have a large number of ESL students to create a joint certificate that acknowledges the students’ work on their rigorous path towards obtaining high level proficiency in academic English language skills and knowledge in introductory courses in a particular discipline.

“Curating and Creating OER Course Materials for PSYC 356 Human Sexuality”

**Proposal:** I propose to research, curate, modify, and if necessary create, content sufficient to facilitate professors' use of Open Educational Resources (OER) course materials for the PSYC 356 Human Sexuality course. Ideally, I would like to compile an entire textbook, but if that proves too ambitious (if I find that creating content on a large scale, necessitating many hours, would be required), then I plan to amass educational materials covering enough of the needed topics that a professor would be able to simply supplement the OER, rather than resort to typical use of a commercial textbook. I would commence by surveying Los Rios Human Sexuality faculty to determine what topics (degree of detail) they would require to move from whatever textbook they currently use to adopting OER course materials.

“Celebrating and Encouraging Diversity in STEM”

**Proposal:** In an effort to showcase scientists from diverse backgrounds, I want to create at least 15 “Scientist Spotlights” which profile scientists of color, LGBTQIA scientist, disabled scientists, female scientists, etc. in STEM fields. My hope would be for every student in class to have someone profiles to whom they relate, someone who looks like them or has a background like them. The spotlights will be a mix of historical or trailblazer scientists, modern scientists, and local scientists (UCD, CSUS, CRC alumni). A “Create a Scientist Spotlight” assignment, with resources, and rubrics, will also be produced. Students will conduct their own research on a scientist of their choosing and complete a profile for that scientist.

“Identifying Strategies and Designing Relevant Curriculum for the Twenty-first Century Community College Student”

**Proposal:** The purpose of this sabbatical leave is for professional development, to research and implement experiential learning curriculum that has rigorous and tangible expectations for face-to-face instruction as well as the online environment. Identify delivery modalities for pedagogically sound, hands-on experiential learning, with a focus on closing the equity gap of opportunity. By invigorating our curriculum design, fostering greater competency in our students, with workforce development and purposeful citizenship, this research and implementation might impact numerous fields through our curriculum design at FLC.

“Social Work/Human Services (SWHS) Curricula and Program Review & Revisions”

**Proposal:** The purpose of this sabbatical proposal is to complete a full review and revision of the SWHS curricula to ensure that we are meeting the educational and career readiness needs of our students. The objectives are to review each course and each program; currently we have 10 courses, 2 certificates, and 2 A.A. Degrees. We are hoping to create a clear pathway for students to meet their current workforce readiness needs for paraprofessional positions, while also ensuring that these students have a viable pathway into BSW and MSW academic programs and career options in the future. We anticipate modifying our current certificates and adding a 3rd certificate focused on paraprofessional skills, streamlining our course offerings, revising PSLOs, considering appropriateness of each course for online education, and an audit of all existing courses.

“100 Years of Hoops: A Game by Game History of Sacramento City College Men’s Basketball, 1922-2022”

Proposal: The purpose of this project is to publish a book with a game-by-game history of Sac
City College Men’s Basketball. Each summary will include won/loss record, roster, statistics,
coaches, league membership, school records set, individual honors, and alumni watch. I will
summarize each game with a paragraph that will range from one sentence to 10 sentences
(depending on the available historical data). Game summaries will include statistics, key plays,
and will be as descriptive as possible, while being a stand-alone paragraph. The appendices
will include school records, statistical lists of outstanding individual performances (all-time
scorers, rebounders, etc.), and an alphabetical all-time roster. The book will be self-published
"on-demand" on Amazon for a minimal amount.
“Developing Access to ECE Practicum for Employed Students”

Proposal: The purpose of this project is to develop an ECE practicum to meet the needs of students who cannot take leave from their jobs in childcare programs to come to the CDC for their lab hours. The proposal incorporates the use of technology to present a practicum designed for students in off campus worksites by recording or streaming the Sacramento City Child Development lab to the students. The students would have the ability to compare and reflect on their work as well as see the model program at the Child Development Center. The technology would also benefit the students enrolled in the traditional on campus labs.

* Incumbent
BACKGROUND:
Since the beginning of the COVID-19 Pandemic, and particularly in the past several months, members of Asian, Native Hawaiian, Pacific Islander (ANHPI) communities in our region and throughout the country have experienced an increase in racism, xenophobia, and hate crimes, punctuated by the recent murder of eight people (most of them women of Asian descent) in Atlanta, Georgia. This type of violence and rhetoric is antithetical to everything that we stand for in the Los Rios Community College District and all of our equity-driven work to create an educational and work environment that is inclusive for everyone, regardless of race, ethnicity, language, culture, nationality, socio-economic class, age, physical ability, sexual orientation, or religious beliefs.

STATUS:
The attached Resolution No. 2021-09 reaffirms the Los Rios Community College District Board of Trustees’ commitment to equity and to actively fostering an inclusive environment that is welcoming for all people, regardless of race, ethnicity, place of origin or religion. It also condemns, in the strongest possible terms, any violence against members of the Asian, Native Hawaiian, Pacific Islander (ANHPI) communities and any Anti-Asian rhetoric that wrongly and callously blames these communities for the COVID-19 pandemic.

RECOMMENDATION:
It is recommended that the Board of Trustees adopt Resolution No. 2021-09 condemning all forms of Anti-Asian sentiment.
CONDEMNING ALL FORMS OF ANTI-ASIAN AMERICAN SENTIMENT

WHEREAS, the Los Rios Community College District Board of Trustees is committed to actively fostering an inclusive environment that is welcoming for all people, regardless of race, ethnicity, place of origin or religion; and

WHEREAS, approximately 18% of students in the Los Rios Community College District are of Asian, Native Hawaiian, Pacific Islander (ANHPI) descent; and

WHEREAS, since the beginning of the COVID-19 pandemic, there has been an increased use of Anti-Asian rhetoric, including references to the COVID-19 pandemic by the geographic location of its origin, resulting in Asian Americans being harassed, assaulted, and scapegoated for the coronavirus outbreak; and

WHEREAS, such inflammatory rhetoric is inaccurate and stigmatizing and has put AAPI persons, families, communities, and businesses at risk; and

WHEREAS, these remarks tend to incite fear and xenophobia, and have exacerbated Racism against individuals of Asian ancestry by putting them at risk of verbal and physical assault; challenges to accessing resources and services; appearing in public; and expressing their identity; and

WHEREAS, reports of hate crimes and incidents against those of Asian descent; rose by nearly 150% in America’s largest cities in 2020; and

WHEREAS, eight people were killed, most of them women of Asian descent, on March 16, 2021 in a series of horrific shootings in Atlanta, Georgia area spas, creating additional fear and distress in communities already reeling from a year of hateful and unfair attacks; and

WHEREAS, the recent rise of violence against Asian Americans is part of a larger history of violence against communities of color, we must work together to create community-centered solutions that stop the violence in all communities; and

WHEREAS, the Los Rios Community College District stands in solidarity with members of our Asian (ANHPI) communities in the wake of these terrifying murders; and

WHEREAS, Racism, discrimination, xenophobia, bigotry, violence, hate and oppression have no place in the Los Rios Community College District or in our community; and
WHEREAS, the Los Rios Community College District rejects any language that associates the ongoing public health crisis with a particular national or ethnic group, recognizing that discriminatory language is counterproductive to defeating a virus that observes no national or ethnic boundaries; and

WHEREAS, the Los Rios Community College District Board of Trustees vehemently denounces the violence against Asian American and Pacific Islanders and wishes to affirm its commitment to the well-being and safety of Asian, Native Hawaiian, and Pacific Islander students and community members and ensure they know they are not alone and that they can speak out to help stop the spread of bigotry; now, therefore, be it

RESOLVED that the Governing Board of the Los Rios Community College District reaffirms our commitment to equity and inclusion throughout our colleges and communities we serve and condemns any and all Anti-Asian rhetoric and acts in the strongest terms possible.

PASSED AND ADOPTED at a regular meeting of the Board of Trustees of the Los Rios Community College District held on April 14, 2021, by the following called vote:

The total of these issuances is $335 million.

The District has several Measure M projects in the planning phases that will bid and construct in the next three years including Natomas Center Phase 2 & 3, Tech Ed Modernization at ARC, Elk Grove Center Phase 2 and Science 2.1 at FLC, which will require the issuance of series E.

The resolution appoints the Sacramento County Director of Finance to act as paying agent for the Bonds, and a resolution accepting such appointment is calendared for a future Board of Supervisors meeting. The sale of Series E is projected to occur on or about June 23, 2021. A copy of the Preliminary Official Statement, which will be updated prior to the sale to the Official Statement, is also included for the Board’s information.

RECOMMENDATION:
It is recommended that the Board of Trustees approve Resolution № 2021-10 authorizing the issuance and sale of General Obligation Bonds, 2008 election, Series E, in the aggregate principal amount of not to exceed $130,000,000 and approving related documents and official actions, including the Preliminary Official Statement relating to the bonds.

THE SERIES E BONDS

Section 2.01. Authorization. The Board hereby authorizes the issuance of the Series E Bonds in the aggregate principal amount of not to exceed $130,000,000 under and subject to the terms of the Bond Law and this Resolution, for the purpose of raising money to finance educational facilities of the District in accordance with the Bond Measure and to pay Costs of Issuance to the extent not paid by the Underwriter. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Series E Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal of and interest and redemption premium (if any) on
all Series E Bonds which may be Outstanding hereunder, subject to the covenants, agreements, provisions and conditions herein contained. The Series E Bonds shall be designated the “Los Rios Community College District (Sacramento County, California) General Obligation Bonds, 2008 Election, Series E”.

Section 2.02. Terms of Series E Bonds.

(a) Terms of Series E Bonds. The Series E Bonds will be issued as fully registered bonds, without coupons, in the form of current interest bonds in the denomination of $5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Series E Bonds maturing in the year of maturity of the Series E Bond for which the denomination is specified. The Series E Bonds will be lettered and numbered as the Paying Agent may prescribe, and will be dated as of the Closing Date.

Interest on the Series E Bonds is payable semiannually on each Interest Payment Date. Each Bond will bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it will bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the first Record Date, in which event it will bear interest from the Closing Date. Notwithstanding the foregoing, if interest on any Series E Bond is in default at the time of authentication thereof, such Series E Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(b) Maturities; Basis of Interest Calculation. The Series E Bonds will mature on August 1 in the years and in the amounts, and will bear interest at the rates, as determined upon the sale thereof. Interest on the Series E Bonds will be calculated on the basis of a 360-day year comprised of twelve 30-day months. The final maturity of the Series E Bonds shall not exceed the legal limit identified in the Bond Law, and if the final maturity is more than thirty years after the Closing Date, a District Representative or other official familiar with the projects to be financed with proceeds of the Series E Bonds is authorized and directed to execute a certification confirming that the useful life of the facilities to be financed with the proceeds of the Series E Bonds which mature more than thirty years after the Closing Date exceeds the final maturity date of such Series E Bonds.

(c) CUSIP Identification Numbers. CUSIP identification numbers will be imprinted on the Series E Bonds, but such numbers do not constitute a part of the contract evidenced by the Series E Bonds and any error or omission with respect thereto will not constitute cause for refusal of any purchaser to accept delivery of and pay for the Series E Bonds. Any failure by the District to use CUSIP numbers in any notice to Owners of the Series E Bonds will not constitute an event of default or any violation of the District’s contract with the Owners and will not impair the effectiveness of any such notice.
(d) Payment. Interest on the Series E Bonds (including the final interest payment upon maturity or redemption) is payable by check, draft or wire of the Paying Agent given to the Owner thereof (which will be DTC so long as the Series E Bonds are held in the book-entry system of DTC) at such Owner’s address as it appears on the Registration Books at the close of business on the preceding Record Date; except that at the written request of the Owner of at least $1,000,000 aggregate principal amount of the Series E Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on any Series E Bonds will be paid on the succeeding Interest Payment Date to such account as will be specified in such written request. Principal of and redemption premium (if any) on the Series E Bonds are payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent. The provisions of this Section relating to the payment of the Refunding Bonds shall be subject in all respects to the provisions of Section 2.09 so long as the Series E Bonds are held in the book-entry system of DTC.

Section 2.03. Redemption.

(a) Optional Redemption Dates and Prices. The Series E Bonds may (but are not required to be) subject to optional redemption prior to their respective stated maturity dates. In the event the Series E Bonds are subject to optional redemption prior to their respective stated maturity dates, the schedule of redemption dates and redemption prices shall be set forth in the Bond Purchase Agreement.

(b) Mandatory Sinking Fund Redemption. If and as determined upon the sale of the Series E Bonds, any maturity of Series E Bonds shall be designated as Term Bonds which are subject to mandatory sinking fund redemption on August 1 in each of the years as determined upon the sale of the Series E Bonds, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If some but not all of the Term Bonds have been redeemed under the preceding subsection (a) of this Section, the aggregate principal amount of such Term Bonds to be redeemed in each year under this subsection (b) will be reduced in integral multiples of $5,000, as designated in written a Written Request of the District filed with the Paying Agent.

(c) Selection of Series E Bonds for Redemption. Whenever less than all of the Outstanding Series E Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Series E Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Series E Bond will be deemed to consist of individual bonds of $5,000 denominations each which may be separately redeemed.

(d) Redemption Procedure. The Paying Agent shall cause notice of any redemption to be given at least 20 days but not more than 60 days before the date fixed for redemption, to (i) to the Municipal Securities Rulemaking Board, and (ii) to the respective Owners of any Series E Bonds designated for redemption, at their addresses appearing on the Registration Books. Such notice shall not be a condition precedent to
such redemption and failure to give or to receive any such notice shall not affect the validity of the proceedings for the redemption of such Series E Bonds. In addition, the Paying Agent shall give notice of redemption to each of the Securities Depositories.

Such notice shall (i) state the redemption date and the redemption price, (ii) if less than all of the then Outstanding Series E Bonds are to be called for redemption, designate the serial numbers of the Series E Bonds to be redeemed by giving the individual number of each Series E Bond or by stating that all Series E Bonds between two stated numbers, both inclusive, or by stating that all of the Series E Bonds of one or more maturities have been called for redemption, (iii) require that such Series E Bonds be then surrendered at the Office of the Paying Agent for redemption at the applicable redemption price, and (iv) state that further interest on such Series E Bonds will not accrue from and after the redemption date.

Upon surrender of Series E Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Series E Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Series E Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest on the Series E Bonds so called for redemption have been duly provided, such Series E Bonds so called will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice. The Paying Agent shall cancel all of the Series E Bonds, and submit a certificate of cancellation to the District.

(e) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Series E Bonds under subsection (a) of this Section by written notice to the Paying Agent on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Series E Bonds then called for redemption. The District and the Paying Agent shall have no liability to the Series E Bond Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall give notice of such rescission of redemption to the respective Owners of the Series E Bonds designated for redemption, at their addresses appearing on the Registration Books, and also to the Securities Depositories and the Municipal Securities Rulemaking Board. The District shall have the right to give a conditional notice of the redemption of any Series E Bonds under subsection (a) of this Section.

Section 2.04. Form of Series E Bonds. The Series E Bonds, the form of the Paying Agent’s certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or
appropriate variations, omissions and insertions, as permitted or required by this Resolution, as set forth in Appendix A hereto.

Section 2.05. Execution of Series E Bonds. The Series E Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Secretary to the Board, and the seal of the Board shall be reproduced thereon. No Series E Bond is valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Series E Bond is signed by the Paying Agent as authenticating agent.

The Series E Bonds shall be in substantially the form attached hereto as Appendix A and incorporated herein by this reference, allowing those officials executing the Series E Bonds to make the insertions and deletions necessary to conform the Series E Bonds to this Resolution and the Bond Purchase Agreement.

Only those Series E Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Series E Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

Section 2.06. Transfer of Series E Bonds. Any Series E Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series E Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Series E Bond issued upon any transfer.

Whenever any Series E Bond is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Series E Bond or Bonds, for like aggregate principal amount. No transfers of Series E Bonds may be made (a) 15 days before the date established by the Paying Agent for selection of Series E Bonds for redemption or (b) with respect to a Series E Bond which has been selected for redemption.

Series E Bonds may be exchanged at the Office of the Paying Agent for a like aggregate principal amount of Series E Bonds of authorized denominations and of the same maturity. The District may charge a reasonable sum for each new Series E Bond issued upon any exchange (except in the case of any exchange of temporary Series E Bonds for definitive Series E Bonds). No exchanges of Series E Bonds shall be required to be made (a) during the 15 days before the date established by the Paying Agent for selection of Series E Bonds for redemption, or (b) with respect to a Series E Bond which has been selected for redemption.
Section 2.08. Registration Books. The Series E Bonds shall be initially executed and delivered in the form of a single fully registered Series E Bond for each maturity date of the Series E Bonds in the full aggregate principal amount of the Series E Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Series E Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District have no responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Series E Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Series E Bonds. Except under the conditions noted below, no person other than DTC shall receive a Series E Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term “Cede & Co.” in this Resolution shall refer to such new nominee of DTC.

Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Series E Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Series E Bonds evidencing the Series E Bonds to any Depository System Participant having Series E Bonds credited to its DTC
account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Series E Bonds.

The District hereby directs the County to levy, and hereby directs all other counties whose jurisdiction includes properties within the District to levy, on all the taxable property in the District, in addition to all other taxes, a continuing direct and ad valorem tax annually during the period the Series E Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Series E Bonds when due, including the principal of any Series E Bonds upon the mandatory sinking fund redemption thereof under Section 2.03(b), which moneys when collected will be paid to the Director of Finance and placed in the Debt Service Fund.

The principal of and interest on Series E Bonds do not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents or employees thereof, and neither the County, the State of California, any of its political subdivisions nor any of the officers, agents or employees thereof are liable thereon.

Section 4.02. Establishment of Debt Service Fund. The District hereby directs the Director of Finance to establish, hold and maintain while the Series E Bonds are
outstanding an interest and sinking fund for the Series E Bonds (the “Debt Service Fund”), which shall be maintained by the Director of Finance as a separate account, distinct from all other funds of the District, into which shall be paid on receipt thereof, (a) any premium received by the Director of Finance on the sale of the Series E Bonds, and (b) the proceeds of any taxes levied under Section 4.01.

The Debt Service Fund is pledged for the payment of the principal of and interest and premium (if any) on the Series E Bonds when and as the same become due, including the principal of any term Series E Bonds required to be paid upon the mandatory sinking fund redemption thereof. Upon the written request of the District filed with the County, amounts in the Debt Service Fund shall be transferred by the County to the Paying Agent to the extent required to pay the principal of and interest and redemption premium (if any) on the Series E Bonds when due.

If, after payment in full of the Series E Bonds, any amounts remain on deposit in the Debt Service Fund, the County shall transfer such amounts to the General Fund of the District as provided in Section 15234 of the Education Code.

Section 4.03. Disbursements From Debt Service Fund. The County shall administer the Debt Service Fund and make disbursements therefrom in the manner set forth in this Section. The County shall transfer amounts on deposit in the Debt Service Fund, to the extent necessary to pay the principal of and interest and redemption premium (if any) on the Series E Bonds when due and payable, to the Paying Agent which, in turn, shall pay such moneys to DTC to pay the principal of and interest and redemption premium (if any) on the Series E Bonds. DTC will thereupon make payments of debt service on the Series E Bonds to the DTC Participants who will thereupon make payments of debt service to the beneficial owners of the Series E Bonds. Any moneys remaining in the Debt Service Fund after the Series E Bonds and the interest and redemption premium (if any) thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District, as provided in Section 15234 of the Education Code. As provided in Section 15232 of the Education Code, amounts in the Debt Service Fund shall also be applied to pay the expense of paying the Series E Bonds elsewhere than at the office of the Director of Finance.

Section 4.04. Investments. All moneys held in any of the funds or accounts established with the Director of Finance hereunder shall be invested in Authorized Investments in accordance with the investment policies of the County, as such policies exist at the time of investment without regard to the maximum percentage limitations per asset class for investments $500,000 or less. Authorized Investments purchased as an investment of moneys in any fund or account shall be deemed to be part of such fund or account.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the fund or account from which such investment was made, and shall be expended for the purposes thereof. The District covenants that all investments of amounts deposited in any fund or account created by
or under this Resolution, or otherwise containing proceeds of the Series E Bonds, shall be acquired and disposed of at the Fair Market Value thereof. For purposes of this Section, the term “Fair Market Value” shall mean, with respect to any investment, the price at which a willing buyer would purchase such investment from a willing seller in a bona fide, arm’s length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term “Fair Market Value” means the acquisition price in a bona fide arm’s length transaction (as described above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security - State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

Section 5.01. Punctual Payment. The District will punctually pay, or cause to be paid, the principal of and interest and redemption premium (if any) on the Series E Bonds, in strict conformity with the terms of the Series E Bonds and of this Resolution, and it will faithfully observe and perform all of the conditions, covenants and requirements of this Resolution and of the Series E Bonds. Nothing herein contained prevents the District from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law.

Section 5.02. Books and Accounts. The District will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the District in which complete and correct entries are made of all transactions relating to the expenditure of the proceeds of the Series E Bonds. Section 5.03. Protection of Security and Rights of Series E Bond Owners. The District will preserve and protect the security of the Series E Bonds and the rights of the Series E Bond Owners, and will warrant and defend their rights against all claims and demands of all persons. Following the issuance of the Series E Bonds by the District, the Series E Bonds shall be incontestable by the District.
Section 5.04. Tax Covenants.

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Series E Bonds are not so used as to cause the Series E Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Series E Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Series E Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Series E Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Series E Bonds from the gross income of the Owners of the Series E Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The District shall calculate or cause to be calculated all excess investment earnings with respect to the Series E Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, and shall pay the full amount of such excess investment earnings to the United States of America as required under the Tax Code. Such payments shall be made by the District from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Series E Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the District may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the District deems appropriate.

Section 5.05. Continuing Disclosure. The District hereby approves the Continuing Disclosure Certificate in substantially the form attached as an appendix to the Preliminary Official Statement for the Refunding Bonds, together with any changes therein or modifications thereof which are approved by a District Representative, and the execution thereof by a District Representative shall be conclusive evidence of the approval of any such changes or modifications. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the
District to comply with the Continuing Disclosure Certificate does not constitute a default by the District hereunder or under the Series E Bonds; however, any Participating Purchaser (as that term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Series E Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.06. CDIAC Annual Reporting. The District hereby covenants and agrees that it will comply with the provisions of Section 8855(k) of the California Government Code with respect to annual reporting to the California Debt and Investment Advisory Commission. Such reporting will occur at the times and include the types of information as set forth therein. Notwithstanding any other provision of this Resolution, failure of the District to comply with such reporting shall not constitute a default by the District hereunder or under the Series E Bonds.

Section 5.07. Further Assurances. The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Series E Bonds of the rights and benefits provided in this Resolution.

ARTICLE VI

THE PAYING AGENT

Section 6.01. Appointment of Paying Agent; Approval of Paying Agent Agreement. The Director of Finance is hereby appointed to act as Paying Agent for the Series E Bonds and, in such capacity, shall also act as registration agent and authentication agent for the Series E Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Series E Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Board hereby approves the form of a Paying Agent Agreement between the District and the County in substantially the form on file with the Secretary of the Board with such changes therein, deletions therefrom and modifications thereto as a District Representative may approve, such approval to be conclusively evidenced by the execution and delivery of the Paying Agent Agreement. In the event of any inconsistency or conflict between the provisions of this Resolution and the Paying Agent Agreement, the provisions of the Paying Agent Agreement shall be controlling.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least $50,000,000, and subject to supervision or examination by federal or state authority.
If such bank or trust company publishes a report of condition at least annually, under law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Series E Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent will become effective upon acceptance of appointment by the successor Paying Agent.

**Section 6.02. Paying Agent May Hold Series E Bonds.** The Paying Agent may become the owner of any of the Series E Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

**Section 6.03. Liability of Agents.** The recitals of facts, covenants and agreements in this Resolution and in the Series E Bonds constitute statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Series E Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent is not liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution requires the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent is not responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.
Section 6.04. Notice to Paying Agent. The Paying Agent may rely and is protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof is specifically prescribed in this Resolution) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

Section 6.05. Compensation; Indemnification. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under Resolution. The District further agrees to indemnify the Paying Agent against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

ARTICLE VIII

(a) to add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) to confirm, as further assurance, any pledge under, and to subject to any lien or pledge created or to be created by, this Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(c) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution, in a manner which does not materially adversely affect the interests of the Series E Bond Owners in the opinion of Bond Counsel filed with the District; or

(d) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Series E Bonds.

Section 8.02. Amendments Effective With Consent of the Owners. ARTICLE IX

MISCELLANEOUS

Section 9.01. Benefits of Resolution Limited to Parties. Nothing in this Resolution, expressed or implied, gives any person other than the District, the County, the Paying Agent and the Owners of the Series E Bonds, any right, remedy, claim under or by reason of this Resolution. The covenants, stipulations, promises or agreements in this Resolution are for the sole and exclusive benefit of the County, the Paying Agent and the Owners of the Series E Bonds.

Section 9.02. Defeasance of Series E Bonds.

(a) Discharge of Resolution. Series E Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and interest on such Series E Bonds, as and when the same become due and payable;

(ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Series E Bonds; or

(iii) by delivering such Series E Bonds to the Paying Agent for cancellation by it.

If the District pays all Outstanding Series E Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Series E Bonds have not been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In that event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all...
such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the payment or redemption of Series E Bonds not theretofore surrendered for such payment or redemption.

(b) **Discharge of Liability on Series E Bonds.** Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Series E Bond (whether upon or prior to its maturity or the redemption date of such Series E Bond), provided that, if such Series E Bond is to be redeemed prior to maturity, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, then all liability of the District in respect of such Series E Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Series E Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Series E Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Series E Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) **Deposit of Money or Securities with Paying Agent.** Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Series E Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Series E Bonds and all unpaid interest thereon to maturity, except that, in the case of Series E Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Series E Bonds and all unpaid interest thereon to the redemption date; or

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Series E Bonds to be
paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Series E Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Series E Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Series E Bonds and remaining unclaimed for two years after the principal of all of the Series E Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after such date when all of the Series E Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) give the Owners of all Series E Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Series E Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

Section 9.03. Execution of Documents and Proof of Ownership by Series E Bond Owners. Any request, declaration or other instrument which this Resolution may require or permit to be executed by Series E Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Series E Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Series E Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Series E Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Series E Bond shall bind all future Owners of such Series E Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.
Section 9.04. Waiver of Personal Liability. No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Series E Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.05. Non-Liability of County; Indemnification. Notwithstanding anything stated to the contrary in this Resolution, (a) the Series E Bonds are not a debt of the County, including its Board of Supervisors, officers, officials, agents and employees, and the County, including its Board of Supervisors, officers, officials, agents and employees, has no obligation to repay the Series E Bonds; (b) the Board of Supervisors’ sole responsibilities hereunder are to levy a tax for the repayment of the Series E Bonds, as provided in Section 15250 of the Education Code, and (i) neither the County, nor the Board of Supervisors, nor any officer, official, agent or employee of the County, has any obligation or liability hereunder or in connection with the transactions contemplated hereby other than as specified in such Code Section; (ii) the Series E Bonds, including interest thereon, are payable solely from taxes levied by the Board of Supervisors of the County under Section 15250 of the Education Code; and (iii) the County, including its Board of Supervisors, officers, officials, agents and employees, shall retain all of their respective constitutional and statutory privileges, immunities, rights and defenses in carrying out their duties under this Resolution.

The County, including its Board of Supervisors, officers, officials, agents and employees, shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution, and even during the continuance of an event of the District’s default with respect to the repayment of the Series E Bonds, including interest thereon, no implied covenants or obligations shall be read into this Resolution against the County, including its Board of Supervisors, officers, officials, agents and employees.

The District further agrees to indemnify, defend and hold harmless the County, including its Board of Supervisors, officers, officials, agents and employees, against the payment of any and all liabilities, losses, costs and expenses (including attorneys fees and court costs), damages and claims which the County, including its Board of Supervisors, officers, officials, agents and employees, may incur in the exercise and performance of its or their powers and duties hereunder which are not due to its or their negligence or bad faith.

Section 9.06. Destruction of Canceled Series E Bonds. Whenever in this Resolution provision is made for the surrender to the District of any Series E Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Series E Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Series E Bonds therein referred to.
Section 9.07. Partial Invalidity. If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Series E Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief financial officer of the District in trust for the benefit of the Series E Bond Owners.

Section 9.08. Execution of Documents. Each District Representative and any and all other officers of the District are each authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Series E Bonds. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf if such officer is absent or unavailable.

Section 9.09. Filing of this Resolution. A District Representative is hereby directed to cause an executed copy of this Resolution to be filed with appropriate officials of the County following the adoption hereof.

Section 9.10. Effective Date of Resolution. This Resolution shall take effect from and after the date of its passage and adoption.

APPENDIX B

REQUIRED DISCLOSURES PURSUANT TO
GOVERNMENT CODE SECTION 5852.1

1. True Interest Cost of the Series E Bonds (Estimated): 2.40%.

2. Finance charge of the Series E Bonds, being the sum of all fees and charges paid to third parties, in the amount of approximately $532,000. Such amount consists of costs of issuing the Series E Bonds in the amount of approximately $370,000 together with estimated Underwriter’s compensation in the amount of approximately $162,500.

3. Proceeds of the Series E Bonds expected to be received by the District, net of proceeds for Costs of Issuance in (2) above to paid, capitalized interest and reserves (if any) from the principal amount of the Series E Bonds (Estimated): $130,000,000.

4. Total Payment Amount for the Series E Bonds, being the sum of all debt service to be paid on the Series E Bonds to final maturity (Estimated): $180,888,617.

*All amounts and percentages are estimates, and are made in good faith by the District based on information available as of the date of adoption of this Resolution. Estimates include certain assumptions regarding tax-exempt rates available in the bond market at the time of pricing the Series E Bonds.
BACKGROUND:
In March 2002, District voters approved Measure A, a $265 million general obligation bond authorization for the construction and modernization of District facilities. Under Measure A, the District issued $27.5 million in August 2002 (Series A); $65 million in April 2004 (Series B); $70 million in July 2006 (Series C); $55 million in August 2009 (Series D); $20 million in June 2013 (Series E) and $27.5 million in February 2018 (Series F). In addition, the District has undertaken five separate refinancings (referred to as “refundings” in the bond market) to reduce interest costs. Series A, B, C and D have been fully refunded with total taxpayers savings of nearly $26 million ($18.9 million NPV). By continuing with the steps required to undertake the refunding of its 2011 General Obligation Refunding bonds, the District provides itself with the option of obtaining additional significant taxpayer savings.

STATUS:
The 2011 General Obligation Refunding Bonds were issued in October 2011 with a true interest cost of 3.61% and an optional redemption provision allowing the bonds to be refinanced on or after August 1, 2021. The impending redemption date coupled with the low current interest rate environment present an opportunity to refund the 2011 Bonds by issuing 2021 Refunding General Obligation Bonds in the amount not to exceed $20 million. The projected net taxpayer savings of the refunding is approximately $2.8 million with a net present value (NPV) savings of $2.7 million. The projected savings as a percentage of the refunded bonds is over 14%. Typically, a NPV savings of 5% is the threshold used to determine if a refunding is worthwhile. The projected savings are net of all costs of issuance including financial advisory, legal, rating, and underwriting fees.

While the above projections are based on current market interest rates, the amount of savings ultimately generated by the refunding will depend on bond market conditions on the day of the refunding bond sale.
The sale of the refunding bonds will use a negotiated sale process with UBS Financial Services acting as underwriter of the bonds. As with other issuances, the District retains the guidance of a fiduciary agent that protects the interests of the electorate of the District. A copy of the Preliminary Official Statement, which will be updated following the sale to the Official Statement, is also included in the information presented to the Board.

RECOMMENDATION:
It is recommended that the Board of Trustees approve Resolution № 2021-11 authorizing the issuance and sale of the 2021 Refunding General Obligation Bonds in the maximum principal amount of $20,000,000 to refund outstanding 2011 General Obligation Refunding Bonds and approving related documents and official actions, including the Preliminary Official Statement relating to the refunding bonds.

ARTICLE II

TERMS OF REFUNDING BONDS

Section 2.01. Authorization. The Board hereby determines that the prudent management of the fiscal affairs of the District requires that it issue the Refunding Bonds under the provisions of the Bond Law without submitting the question of the issuance of the Refunding Bonds to a vote of the qualified electors of the District. To that end, the Board hereby authorizes the issuance of the Refunding Bonds in the aggregate principal amount of not to exceed $20,000,000, subject to the terms of the Bond Law and this Resolution, for the purpose of providing funds to refinance the Refunded 2011 Bonds.

This Resolution constitutes a continuing agreement between the District and the Owners of all of the Outstanding Refunding Bonds to secure the full and final payment of principal of and interest on the Refunding Bonds, subject to the covenants, agreements, provisions and conditions herein contained. The Refunding Bonds shall be designated the “Los Rios Community College District (Sacramento County, California) 2021 Refunding General Obligation Bonds”.

As provided in Section 53552 of the Bond Law, the Refunding Bonds shall not be issued unless the total net interest cost to maturity on the Refunding Bonds plus the principal amount of the Refunding Bonds is less than the total net interest cost to maturity on the Refunded 2011 Bonds plus the principal amount of the Refunded 2011 Bonds. Before issuing the Refunding Bonds, the District shall receive confirmation from the Municipal Advisor or the Underwriter that the requirements of Section 53552 of the Bond Law have been satisfied.

Section 2.02. Terms of Refunding Bonds.

(a) Form; Numbering. The Refunding Bonds shall be issued as fully registered Bonds, without coupons, in the denomination of $5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Refunding Bonds maturing in the year of maturity of the Refunding Bond for which the denomination is specified. The Refunding Bonds shall be lettered and numbered as the Paying Agent prescribes.

(b) Date of Refunding Bonds. The Refunding Bonds shall be dated as of the Closing Date.

(c) Maturities: Interest. The Refunding Bonds shall mature (or, alternatively, be subject to mandatory sinking fund redemption as hereinafter provided) on August 1 in each of the years and in the amounts to be determined upon the sale of the Refunding Bonds in accordance with the Bond Purchase Agreement. The Refunding Bonds shall bear interest, payable semiannually on each Interest Payment Date, as determined upon the sale thereof in accordance
with the Bond Purchase Agreement. Interest on the Refunding Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

Each Refunding Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or (ii) it is authenticated before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated on or before the first Record Date, in which event it shall bear interest from the dated date of the Refunding Bonds; provided, however, that if at the time of authentication of a Refunding Bond, interest is in default thereon, such Refunding Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(d) Payment. Interest on the Refunding Bonds (including the final interest payment upon maturity or redemption) is payable to the Owner thereof at such Owner’s address as it appears on the Registration Books at the close of business on the preceding Record Date; provided that at the written request of the Owner of at least $1,000,000 aggregate principal amount of the Refunding Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Refunding Bonds shall be paid on the succeeding Interest Payment Date to such account as shall be specified in such written request. The principal of the Refunding Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent. The provisions of this Section relating to the payment of the Refunding Bonds shall be subject in all respects to the provisions of Section 2.09 so long as the Refunding Bonds are held in the book-entry system of DTC.

Section 2.03. Redemption.

(a) Optional Redemption. The Refunding Bonds may (but are not required to be) subject to optional redemption prior to their respective stated maturity dates. In the event the Refunding Bonds are subject to optional redemption prior to their respective stated maturity dates, the schedule of redemption dates and redemption prices shall be set forth in the Bond Purchase Agreement.

(b) Mandatory Sinking Fund Redemption. If and as determined upon the sale of the Refunding Bonds, any maturity of Refunding Bonds shall be designated as Term Bonds which are subject to mandatory sinking fund redemption on August 1 in each of the years as determined upon the sale of the Refunding Bonds, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If some but not all of the Term Bonds have been redeemed under the preceding subsection (a) of this Section, the aggregate
principal amount of such Term Bonds to be redeemed in each year under this subsection (b) will be reduced in integral multiples of $5,000, as designated in written a Written Request of the District filed with the Paying Agent.

(c) Selection of Refunding Bonds for Redemption. Whenever less than all of the Outstanding Refunding Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Refunding Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Refunding Bond will be deemed to consist of individual Refunding Bonds of $5,000 denominations, which may be separately redeemed.

(d) Redemption Procedure. The Paying Agent shall cause notice of any redemption to be given at least 20 days but not more than 60 days before the date fixed for redemption, to (i) to the Municipal Securities Rulemaking Board, and (ii) to the respective Owners of any Refunding Bonds designated for redemption, at their addresses appearing on the Registration Books. Such notice shall not be a condition precedent to such redemption and failure to give or to receive any such notice shall not affect the validity of the proceedings for the redemption of such Refunding Bonds. In addition, the Paying Agent shall give notice of redemption to each of the Securities Depositories.

Such notice shall (i) state the redemption date and the redemption price, (ii) if less than all of the then Outstanding Refunding Bonds are to be called for redemption, designate the serial numbers of the Refunding Bonds to be redeemed by giving the individual number of each Refunding Bond or by stating that all Refunding Bonds between two stated numbers, both inclusive, or by stating that all of the Refunding Bonds of one or more maturities have been called for redemption, (iii) require that such Refunding Bonds be then surrendered at the Office of the Paying Agent for redemption at the applicable redemption price, and (iv) state that further interest on such Refunding Bonds will not accrue from and after the redemption date.

Upon surrender of Refunding Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Refunding Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Refunding Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest on the Refunding Bonds so called for redemption have been duly provided, such Refunding Bonds so called will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice.
The Paying Agent shall cancel all of the Refunding Bonds, and submit a certificate of cancellation to the District.

(e) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Refunding Bonds under subsection (a) of this Section by written notice to the Paying Agent on or prior to the dated fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Refunding Bonds then called for redemption. The District and the Paying Agent shall have no liability to the Refunding Bond Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall give notice of such rescission of redemption to the respective Owners of the Refunding Bonds designated for redemption, at their addresses appearing on the Registration Books, and also to the Securities Depositories and the Municipal Securities Rulemaking Board. The District shall have the right to give a conditional notice of the redemption of any Refunding Bonds under subsection (a) of this Section.

Section 2.04. Form of Refunding Bonds. The Refunding Bonds, the form of the Paying Agent’s certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution, as set forth in Appendix A hereto.

Section 2.05. Execution of Refunding Bonds. The Refunding Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Secretary to the Board, and the seal of the Board shall be reproduced thereon. No Refunding Bond is valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Refunding Bond is signed by the Paying Agent as authenticating agent.

The Refunding Bonds shall be in substantially the form attached hereto as Appendix A and incorporated herein by this reference, allowing those officials executing the Refunding Bonds to make the insertions and deletions necessary to conform the Refunding Bonds to this Resolution and the Bond Purchase Agreement.

Only those Refunding Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Refunding Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.
Section 2.06. Transfer of Refunding Bonds. Any Refunding Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Refunding Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Refunding Bond issued upon any transfer.

Whenever any Refunding Bond is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Refunding Bond or Bonds, for like aggregate principal amount. No transfers of Refunding Bonds may be made (a) 15 days before the date established by the Paying Agent for selection of Refunding Bonds for redemption or (b) with respect to a Refunding Bond which has been selected for redemption.

Section 2.07. Exchange of Refunding Bonds. Refunding Bonds may be exchanged at the Office of the Paying Agent for a like aggregate principal amount of Refunding Bonds of authorized denominations and of the same maturity. The District may charge a reasonable sum for each new Refunding Bond issued upon any exchange (except in the case of any exchange of temporary Refunding Bonds for definitive Refunding Bonds). No exchanges of Refunding Bonds shall be required to be made (a) during the 15 days before the date established by the Paying Agent for selection of Refunding Bonds for redemption, or (b) with respect to a Refunding Bond which has been selected for redemption.

Section 2.08. Registration Books. The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Refunding Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such books, Refunding Bonds as herein before provided.

Section 2.09. Book-Entry System. Except as provided below, the Owner of all of the Refunding Bonds shall be DTC, and the Refunding Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Refunding Bonds shall be initially executed and delivered in the form of a single fully registered Refunding Bond for each maturity date of the Refunding Bonds in the full aggregate principal amount of the Refunding Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Refunding Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District shall not have any responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Refunding Bonds under or through DTC or a Depository System Participant, or any other person which is not shown
on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Refunding Bonds. The District shall cause to be paid all principal and interest with respect to the Refunding Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to the principal and interest with respect to the Refunding Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Refunding Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term “Cede & Co.” in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Refunding Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Refunding Bonds. In such event, the District shall issue, transfer and exchange Refunding Bonds as requested by DTC and any other owners in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Refunding Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Refunding Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Refunding Bonds evidencing the Refunding Bonds to any Depository System Participant having Refunding Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Refunding Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Refunding Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Refunding Bond and all notices with respect to such Refunding Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered on the date of issuance of the Refunding Bonds.

Section 2.10. Refunding Bonds Mutilated, Lost, Destroyed or Stolen.
If any Refunding Bond is mutilated the District, at the expense of the Owner of such Refunding Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Refunding Bond of like maturity and principal amount in exchange and substitution for the Refunding Bond so mutilated, but only upon surrender to the Paying Agent of the Refunding Bond so mutilated. Every mutilated Refunding Bond so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the District. If any Refunding Bond
shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may
be submitted to the District and, if such evidence be satisfactory to the District and
indemnity satisfactory to it shall be given, the District, at the expense of the Owner,
shall execute, and the Paying Agent shall thereupon authenticate and deliver, a
new Refunding Bond of like maturity and principal amount in lieu of and in
substitution for the Refunding Bond so lost, destroyed or stolen. The District may
require payment of a sum not exceeding the actual cost of preparing each new
Refunding Bond issued under this Section and of the expenses which may be
incurred by the District and the Paying Agent in the premises. Any Refunding Bond
issued under the provisions of this Section in lieu of any Refunding Bond alleged
to be lost, destroyed or stolen shall constitute an original additional contractual
obligation on the part of the District whether or not the Refunding Bond so alleged
to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be
equally and proportionately entitled to the benefits of this Resolution with all other
Refunding Bonds issued under this Resolution.

Notwithstanding any other provision of this Section, in lieu of delivering a
new Refunding Bond for which principal has or is about to become due for a
Refunding Bond which has been mutilated, lost, destroyed or stolen, the Paying
Agent may make payment of such Refunding Bond in accordance with its terms.

In the event of a conflict or inconsistency between this Resolution and the Bond Purchase Agreement relating to the terms of the Refunding Bonds, the provisions of the Bond Purchase Agreement shall be controlling.

A District Representative is hereby individually authorized, at the request of the Underwriter, to execute an appropriate certificate affirming the Board’s determination that the Preliminary Official Statement has been deemed nearly final within the meaning of such Rule. Distribution of the Preliminary Official Statement by the Underwriter to prospective purchasers of the Refunding Bonds is hereby approved. The Refunded 2011 Bonds shall be refunded and discharged on the Closing Date, and shall be redeemed in full on August 1, 2021, in accordance with the provisions of the Escrow Agreement. The Board hereby approves the Escrow Agreement in substantially the form on file with the Secretary to the Board, together with any changes therein or modifications thereof which are approved by a District Representative, and the execution thereof by a District Representative shall be conclusive evidence of the approval of any such changes or modifications. A
District Representative is directed to authenticate and execute the final form of the Escrow Agreement on behalf of the District, and to deliver the executed Escrow Agreement on the Closing Date.

**Section 3.05. Costs of Issuance Custodian Agreement.** The Board hereby authorizes a District Representative to enter into a Costs of Issuance Custodian Agreement with U.S. Bank National Association in the form on file with the Secretary to the Board. As provided in such agreement, a portion of the proceeds of the Refunding Bonds shall be deposited thereunder, to be applied for the payment of Costs of Issuance upon requisitions submitted by a District Representative in accordance with such agreement.

**Section 3.06. **Section 3.07. Actions to Close Bond Issuance.** Each District Representative and any and all other officers of the District are each authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Refunding Bonds. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf if such officer is absent or unavailable.

The principal of and interest on Refunding Bonds do not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents or employees thereof, and neither the County, the State of California, any of its political subdivisions nor any of the officers, agents or employees thereof are liable thereon.

Section 4.02. Establishment of Debt Service Fund. The District hereby directs the Director of Finance to establish, hold and maintain while the Refunding Bonds are Outstanding an interest and sinking fund for the Refunding Bonds (the “Debt Service Fund”), which shall be maintained by the Director of Finance as a separate account, distinct from all other funds of the District, into which shall be deposited the proceeds of any taxes levied under Section 4.01.

Upon the written request of the District filed with the County, amounts in the Debt Service Fund shall be transferred by the County to the Paying Agent to the extent required to pay the principal of and interest on the Refunding Bonds when due.

Any moneys remaining in the Debt Service Fund after the Refunding Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District as provided in Section 15234 of the Education Code. Nothing herein contained prevents the District from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law.

Section 5.02. Books and Accounts; Financial Statements. The District will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the District in which complete and correct entries are made of all transactions relating to the expenditure of the proceeds of the Refunding Bonds. Section 5.03. Protection of Security and Rights of Refunding Bond Owners. The District will preserve and protect the security of the Refunding Bonds and the rights of the Refunding Bond Owners, and will warrant and defend their rights against all claims and demands of all persons. Following the issuance of the Refunding Bonds by the District, the Refunding Bonds shall be incontestable by the District.

Section 5.04. Tax Covenants.

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Refunding Bonds are not so used as to cause the Refunding Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Refunding Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Refunding Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Refunding Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Refunding Bonds from the gross income of the Owners of the Refunding Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The District shall calculate or cause to be calculated excess investment earnings with respect to the Refunding Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, and shall pay the full amount of such excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, if and to the extent such Section 148(f) is applicable to the Refunding Bonds. Such payments shall be made by the District from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Refunding Bonds, records of the determinations made under this subsection (e). In order to
provide for the administration of this subsection (e), the District may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the District deems appropriate.

Section 5.05. Continuing Disclosure. The District hereby approves the Continuing Disclosure Certificate in substantially the form attached as an appendix to the Preliminary Official Statement for the Refunding Bonds, together with any changes therein or modifications thereof which are approved by a District Representative, and the execution thereof by a District Representative shall be conclusive evidence of the approval of any such changes or modifications. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate does not constitute a default by the District hereunder or under the Refunding Bonds; however, any Participating Underwriter (as that term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Refunding Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.06. Further Assurances. The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Refunding Bonds of the rights and benefits provided in this Resolution.

ARTICLE VI

THE PAYING AGENT

Section 6.01. Appointment of Paying Agent; Approval of Paying Agent Agreement. The Director of Finance is hereby appointed to act as Paying Agent for the Refunding Bonds and, in such capacity, shall also act as registration agent and authentication agent for the Refunding Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Refunding Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Board hereby approves the form of a Paying Agent Agreement between the District and the County in substantially the form on file with the Secretary of the Board with such changes therein, deletions therefrom and modifications thereto as a District Representative may approve, such approval to be conclusively evidenced by the execution and delivery of the Paying Agent Agreement. In the event of any inconsistency or conflict between
the provisions of this Resolution and the Paying Agent Agreement, the provisions of the Paying Agent Agreement shall be controlling.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least $100,000,000, and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, under law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Refunding Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent will become effective upon acceptance of appointment by the successor Paying Agent.

Section 6.02. Paying Agent May Hold Refunding Bonds. The Paying Agent may become the owner of any of the Refunding Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

Section 6.03. Liability of Paying Agent. The recitals of facts, covenants and agreements in this Resolution and in the Refunding Bonds constitute statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Refunding Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent is not liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution requires the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of
its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent is not responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

**Section 6.04. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof is specifically prescribed in this Resolution) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

**Section 6.05. Compensation; Indemnification.** The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under Resolution. The District further agrees to indemnify the Paying Agent against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

**ARTICLE VII**

**Section 7.01. Remedies of Refunding Bond Owners.** Any Refunding Bond Owner has the right, for the equal benefit and protection of all Refunding Bond Owners similarly situated:
(a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Refunding Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;

Section 8.02. Amendments Effective With Consent of the Owners. The Board may amend this Resolution from time to time for any purpose not set forth in Section 8.01, with the written consent of the Owners of a majority in aggregate principal amount of the Refunding Bonds Outstanding at the time such consent is given.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Benefits of Resolution Limited to Parties. Nothing in this Resolution, expressed or implied, gives any person other than the District, the County, the Paying Agent and the Owners of the Refunding Bonds, any right, remedy, claim under or by reason of this Resolution. The covenants, stipulations, promises or agreements in this Resolution are for the sole and exclusive benefit of the Owners of the Refunding Bonds.

Section 9.02. Defeasance of Refunding Bonds.

(a) Discharge of Resolution. Refunding Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

(i) by paying or causing to be paid the principal or redemption price of and interest on such Refunding Bonds, as and when the same become due and payable;
(ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Refunding Bonds; or

(iii) by delivering such Refunding Bonds to the Paying Agent for cancellation by it.

If the District pays all Outstanding Refunding Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Refunding Bonds have not been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In that event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the payment or redemption of Refunding Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Refunding Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Refunding Bond (whether upon or prior to its maturity or the redemption date of such Refunding Bond), provided that, if such Refunding Bond is to be redeemed prior to maturity, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, then all liability of the District in respect of such Refunding Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Refunding Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Refunding Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Refunding Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.
(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Refunding Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

(i) lawful money of the United States of America in an amount equal to the principal amount of such Refunding Bonds and all unpaid interest thereon to maturity, except that, in the case of Refunding Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Refunding Bonds and all unpaid interest thereon to the redemption date; or

(ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Refunding Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Refunding Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Refunding Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Refunding Bonds and remaining unclaimed for two years after the principal of all of the Refunding Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after such date when all of the Refunding Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) provide to the Owners of all Refunding Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Refunding Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.
Section 9.03. Execution of Documents and Proof of Ownership by Refunding Bond Owners. Any request, declaration or other instrument which this Resolution may require or permit to be executed by Refunding Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Refunding Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Refunding Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Refunding Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Refunding Bond shall bind all future Owners of such Refunding Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

Section 9.04. Waiver of Personal Liability. No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Refunding Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duly provided by law.

Section 9.05. Non-Liability of County; Indemnification. Notwithstanding anything stated to the contrary in this Resolution, (a) the Refunding Bonds are not a debt of the County, including its Board of Supervisors, officers, officials, agents and employees, and the County, including its Board of Supervisors, officers, officials, agents and employees, has no obligation to repay the Refunding Bonds; (b) the Board of Supervisors’ sole responsibilities hereunder are to levy a tax for the repayment of the Refunding Bonds, as provided in Section 15250 of the California Education Code, and (i) neither the County, nor the Board of Supervisors, nor any officer, official, agent or employee of the County, has any obligation or liability hereunder or in connection with the transactions contemplated hereby other than as specified in such Code Section; (ii) the Refunding Bonds, including interest thereon, are payable solely from taxes levied by the Board of Supervisors under Section 15250 of the California Education Code; and (iii) the County, including its Board of Supervisors, officers, officials, agents and
employees, shall retain all of their respective constitutional and statutory privileges, immunities, rights and defenses in carrying out their duties under this Resolution.

The County, including its Board of Supervisors, officers, officials, agents and employees, shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution, and even during the continuance of an event of the District’s default with respect to the repayment of the Refunding Bonds, including interest thereon, no implied covenants or obligations shall be read into this Resolution against the County, including its Board of Supervisors, officers, officials, agents and employees.

The District further agrees to indemnify, defend and hold harmless the County, including its Board of Supervisors, officers, officials, agents and employees, against the payment of any and all liabilities, losses, costs and expenses (including attorneys fees and court costs), damages and claims which the County, including its Board of Supervisors, officers, officials, agents and employees, may incur in the exercise and performance of its or their powers and duties hereunder which are not due to its or their negligence or bad faith.

Section 9.06. Destruction of Canceled Refunding Bonds. Whenever in this Resolution provision is made for the surrender to the District of any Refunding Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Refunding Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Refunding Bonds therein referred to.

Section 9.07. Partial Invalidity. If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Refunding Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief financial officer of the District in trust for the benefit of the Refunding Bond Owners.

Section 9.08. Execution of Documents. Each District Representative and any and all other officers of the District are each authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they or any of them might deem necessary or appropriate in order to consummate
the lawful issuance, sale and delivery of the Refunding Bonds. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf if such officer is absent or unavailable.

**Section 9.09. Effective Date of Resolution.** This Resolution shall take effect from and after the date of its passage and adoption.
