

1.0 Dual Enrollment

- 1.1. The California Education Code authorizes community college districts to enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district for the purpose of offering or expanding dual enrollment opportunities for students who may not already be college-bound or who are underrepresented in higher education, with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school pupils achieve college and career readiness.

 - 1.3.1. A CCAP partnership agreement is approved by the governing boards of both districts;
 - 1.3.2. The curriculum is college-level;
